

# NG-C500

## Semi-outdoor security camera

Small size. Great tranquility.

1080p Vision

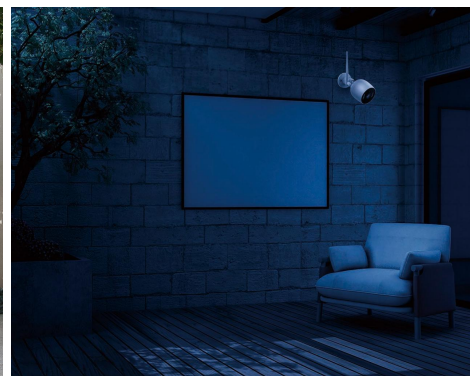

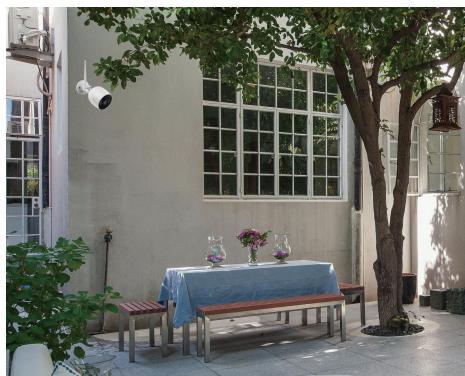

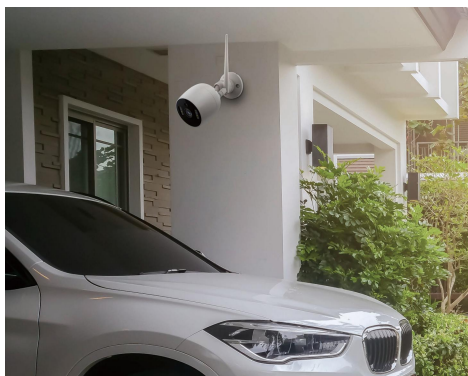

Storage

Full HD Audio

## Introduction

NGTeco's semi-outdoor security camera allows you to see scenarios even outdoors at night: you can clearly know the situation in the yard or garage.

**simple security**— The camera is installed on the wall and monitors the situation at any time. Receive a notice on your mobile phone in the event of an abnormal situation or check the log on real time.

## Characteristic

### 1080p Full HD

Enjoy live 1080p video amazingly sharp

**Local and cloud storage** Store and review recent activity with local or cloud storage

### Night vision

See what happens even in the dark

### two-way audio

Listen or talk back and forth
