

# NG-C4200

## Semi-outdoor PTZ Camera

Detection of  
Movement

Resolution  
3 MP

Storage  
Local and in the Cloud

Audio  
bidirectional

Vision  
nocturnal

Design  
Semi-exterior

Compatible con  
**NGTeco Home App**

## Introduction

**NG-C4200** is a Wi-Fi PTZ camera for semi-outdoor security that will always keep you informed of what is happening at your destinations. With live view, no matter where you are, you can monitor your home at any time and receive detection alert notification via NGTeco Home app. Listen and talk interactively with your family.

With NGTeco Home all-in-one smart home app, you can realize various useful functions such as human detection alert, real-time status notification, live video, or even check activity with local or cloud storage if necessary.

**NG-C4200** is an affordable option and perfect for the backyard, home or business.

## Features

**People Detection**  
Filter out objects and detect only  
human movement

**Two Way Audio**  
Listen or talk back and forth

**3MP resolution**  
Enjoy incredible live videos in 3 MP  
resolution

**Night vision**  
See what happens even in the  
dark

**Local and Cloud Storage**  
Store and review recent activity with local or  
cloud storage

**Semi-exterior design For**  
semi-exterior environments.

## specifications
