

RJ45 CAT6 CLAMP

connecteur rg45 cable cabl cat 6 connector rj 45

Name 10P10C RJ45 Connector	Brand Fangbei	Type UTP connector	Function Network/Monitoring
Model 10P10C	Craft injection molding	Customized Support	Color Transparency

LARGE CABLE HOLES ARE EVENLY ROUTED

Transparent design facilitates troubleshooting of wiring errors

- 1) All modular plugs RJ11 RJ12 RJ45 connectors are available: 8P8C, 8P4C, 6P4C, 6P2C, 4P4C, 4P2C; RJ11/RJ12/RJ45/RJ48 connector, UTP/FTP/STP/SFTP/SSTP, color modular plugs, or UK plugs are all available.
- 2) Gold plating thickness: gold flash, FU,01,03, 06, 15, 30, 50”.
- 3) UL/RoHS compliant.
- 4) Imported materials:
Imported polycarbonate material with good transparency and flexibility.
- 5) Designed according to FCC standard, and fully compatible with different jacks.
- 6) Standard packing: 1000pcs or 100pcs/bag with a sticker to mark specification.

RJ50 STP CAT6 PLUG 10 PIN 10P10C RJ45 CONNECTOR

Electrical performance	Environmental performance
Rated current: 1.5 AMPS@25°C	Operating temperature: -20°C~+70°C
Rated voltage: 125 VAC	Storage temperature: -10°C~+40°C
Insulation resistance: 1000 MΩMin.@500V DC EIA-364-21C	Materials
Compressive strength: 1000 V AC RMS or 1500 V DC @ 0.5mA 50 Hz or 60 Hz /min	Plastic case: polycarbonate PC
Mechanical property	Flame retardant class: UL94V-0
Fit strength: 57.83N Min.EIA-364-98	
Service life: 1000 insertions Min.EIA-364-9C	

For round cable, featuring gold plated contacts for the best possible connection. Manufactured from a leader in the network cables industry, Make your network function to it's maximum potential
