---

### Cat6a Bulk Cable — Ethernet cable designed for today's applications

Intellinet Network Solutions Cat6a Bulk Cable allows for a better signal-to-noise ratio with minimal loss, which translates to faster, more reliable networks for today's applications. With 305 m (1,000 ft.) of Cat6a Ethernet cable available for installation in 1-2 family and residential risers or in risers with raceways and fireproof shafts, cable runs can be done with more confidence that intended Ethernet applications are complete and secure. This cable also features UL certification for confirmed quality.

#### Features:

- S/FTP, Screened Foiled Twisted Pair
- Can be used in riser with raceway/fireproof shaft
- Standards tested; meets or exceeds current Cat6a proposed standards
- Lifetime warranty
